1 series of executive sessions for the purposes
2 of considering personnel matters in litigation
3 as authorized by Sections 2(c)(1)(3)(4) and
4 (11) of the Illinois Open Meetings Act?

5 BOARD MEMBER WOLFF: So moved.

6 BOARD MEMBER EADDY: Second.

7 PRESIDENT FOREMAN: All in favor?

8 (CHORUS OF AYES.)

9 PRESIDENT FOREMAN: Next up, update on the
10 Superintendent search.

11 As we have announced earlier this
12 week, the application period for superintendent
13 of the Chicago Police Department has now
14 closed.

15 We reported on Monday evening
16 that we received 23 applications. On Tuesday
17 morning, we received from the U.S. Post Office
18 two additional applications that were sent via
19 priority express mail and was scheduled for
20 delivery by January 10th, which was prior to
21 our deadline; we have therefore accepted these
22 applications which raises the number we have
23 received now to 25.

24 We want to provide a little

1 breakdown in terms of the applicants that we
2 got just to give the public a sense of the kind
3 of applications that we received. We look at
4 race of the applicants, there were 13 white, 11
5 African American and one Latinx. 21 men, 4
6 women, and 11 applicants are from the Chicago
7 Police Department or spent a significant amount
8 of their career with the Chicago Police
9 Department.

10 We are now thoroughly reviewing
11 all applications and plan to complete by the
12 end of this month the initial round of in-depth
13 interviews with the best-qualified
14 candidates.

15 As you know, under our duty of
16 the Municipal Code is to nominate three
17 finalists for the position to the mayor. The
18 names of the three nominees that the Board
19 submits to the mayor will all be made public.

20 A report of disciplinary actions
21 taken by the Board during the previous month
22 has been made available at this evening's
23 meeting and posted on the Board's website.

24 There are no disciplinary cases

1 on the agenda for final action this evening.

2 One issue that we do have, Board,
3 is there a motion to grant permission for the
4 Superintendent to raise funds for the annual
5 award ceremony?

6 BOARD MEMBER ZOPP: So moved.

7 BOARD MEMBER EADDY: Second.

8 PRESIDENT FOREMAN: All in favor?

9 (CHORUS OF AYES.)

10 PRESIDENT FOREMAN: The general orders
11 issued by the Superintendent during the
12 previous month are listed in the blue books and
13 posted on the Police Department's website.

14 I'll now ask the Superintendent
15 for an oral report.

16 INTERIM SUPERINTENDENT BECK: Good evening.
17 That's loud. So since we last met, the
18 Department has released its 2019 end-of-year
19 statistics. I'll go over them very briefly.
20 Homicides were down 13 percent in 2019.
21 Shooting incidents were down by 10 percent, but
22 we still -- to illustrate that we still have a
23 long way to go, as we speak, the 11th District
24 is investigating a shooting with five victims

1 in a barber shop in the 11th District, Maple
2 and Pulaski. Five victims, three of which were
3 juveniles, were in getting haircuts and we had
4 an individual fire multiple rounds into the
5 business striking all five. Right now they are
6 stable and so we hope that continues.

7 I will emphasize we still see far
8 too much gun violence in Chicago. To put a
9 sharper point on that, so far this year we got
10 63 shooting incidents. And even though that's
11 below our daily average for last year and our
12 five-year average, it is slightly above that --
13 the year-to-date number for 2019. So we have a
14 long way to go.

15 Tomorrow, I'm attending the
16 Martin Luther King breakfast -- interfaith
17 breakfast. The mayor will be there, and I'm
18 looking forward to doing that.

19 I think it's a great time for
20 Chicago to come together and talk about
21 messages of peace, which the City sorely needs.
22 And that concludes my report.

23 PRESIDENT FOREMAN: Thank you,
24 Superintendent.

1 I would now call upon members of
2 the public who signed up in advance to speak.
3 As a reminder, we have two minutes. First
4 speaker, Raquel Levy McGee.

5 Ellen Corley.

6 David Milligan.

7 MR. MILLIGAN: How do you do? Hi. I'm
8 David Milligan, retired Chicago police officer.
9 Proud to say I wore the uniform for 40 years.
10 I was in the patrol division the whole time. I
11 was a blue shirt the whole time, patrol
12 officer. And I worked the beat car and the
13 wagon from start to finish. This is my first
14 time ever addressing the Police Board. I thank
15 you for your time here.

16 BOARD MEMBER ZOPP: Thank you for your
17 service.

18 MR. MILLIGAN: Thank you very much.
19 Appreciate it.

20 First of all, I want to thank the
21 police officers who are here keeping us safe,
22 fulfilling all of our rights, including the
23 right to free speech. Thank you, officers.

24 And I want to respectfully

1 address the Police Board that I understand you
2 are in the middle of a very complicated and
3 difficult search for our next superintendent.
4 Fully support all your efforts. I know you're
5 doing this in good faith with the understanding
6 the value of these officers here. Certainly
7 feel it's important to impress upon you the
8 need that of the three nominees, of the names
9 you ultimately submit to the mayor, each of
10 those nominees understands the need --
11 imperative to make sure these officers get a
12 good contract, a fair contract. They need it.
13 They deserve it. They are overdue for it.
14 Thank you very much.

15 PRESIDENT FOREMAN: Thank you.

16 Next speaker, Octavia Mitchell.

17 MS. MITCHELL: Good evening. As you all
18 know, my name is Octavia Mitchell. I am not
19 sure you all are aware that I had to fight the
20 DNA for my son that the CPD withheld for nine
21 years. I received those results, and my son's
22 DNA was not on the weapon that CPD stated that
23 he had; however, I see every day that people
24 out there acquitted of crimes that they are

1 accused of with DNA samples. Just because my
2 son is not here doesn't mean that his name
3 shouldn't be freed.

4 I'm asking the City, O'Malley,
5 did you receive the DNA results?

6 MS. O'MALLEY: Can I respond? I did
7 receive a copy of it.

8 MS. MITCHELL: Okay. I haven't heard
9 anything. Do you all -- what do you all have
10 to say that you all have his DNA?

11 I was told by the Superintendent
12 Eddie Johnson was here once the DNA came back,
13 to consult with you all after that. So now
14 that you all see that my son's DNA is not on
15 this weapon, how do we go on from here?
16 Because I want his name freed. DNA does not
17 lie.

18 MS. O'MALLEY: We have not received a
19 request from COPA to reopen the CR
20 investigation. So as far as the department is
21 concerned, we have complied with our obligation
22 to turn over the DNA for testing.

23 If COPA comes back and has any
24 further discussion, we certainly will have that

1 discussion with the Superintendent.

2 MS. MITCHELL: When I spoke with you all,
3 you stated the City denied reopening the case.

4 MR. CONNOR: Thank you, Ms. Mitchell. What
5 we tried to explain is that the inconclusive
6 results of the DNA analysis do not provide COPA
7 sufficient basis to request additional
8 reinvestigation of the closed IPRA
9 investigation. It doesn't -- the results,
10 inconclusive results, do not make it more or
11 less likely that the officers acted outside of
12 policy in the use of force. That's the limit
13 of COPA's investigation.

14 MS. MITCHELL: Can you explain to me what
15 does inconclusive mean? Because from my
16 understanding, if his DNA is not on there,
17 you're coming up with what you want to come up,
18 either he did or didn't.

19 I tried to call the Illinois
20 State Police Department for them to explain it
21 to me. Everyone has them sealed off from me.
22 They will not speak to me. So when you say
23 inconclusive, DNA does not lie.

24 PRESIDENT FOREMAN: Ms. Mitchell, can I

1 ask, Ephraim, can you spend some time and get a
2 meeting set up? And can I ask you get back to
3 me just to make sure that I know that the
4 meeting took place, and we can try to -- I'm
5 not saying you have to come to a resolution
6 before next month. I want to make sure all of
7 Ms. Mitchell's concerns are being addressed and
8 she is pretty clear. Okay? Is that okay, Ms.
9 Mitchell?

10 MS. MITCHELL: Well --

11 PRESIDENT FOREMAN: I don't think we are
12 going to resolve it right here.

13 MS. MITCHELL: I understand, but COPA told
14 me the reason they -- that they had already
15 asked for them to review and they told me no.
16 So is that not clear? We spoke with my
17 attorney, and we had a phone conversation and
18 you stated the City is not willing to reopen.
19 Did you or did you not state that to me?

20 MR. CONNOR: What we attempted to explain
21 was that given the inconclusive results of the
22 analysis which stated that there were at least
23 three different DNA profiles on the weapon, at
24 least one of which was male, that there was not

1 sufficient basis for us to seek additional
2 authority to continue to investigate the
3 officer's use of force.

4 MS. MITCHELL: Okay. But it was these
5 males involved in the shooting. How do we know
6 that it wasn't one of the officers?

7 PRESIDENT FOREMAN: So, Ms. Mitchell, I
8 would like for you to meet with COPA.

9 MS. MITCHELL: I've been meeting with COPA.

10 PRESIDENT FOREMAN: I understand with COPA.
11 I would like to ask that the Police Board get
12 something -- a report in writing at the
13 conclusion of this meeting so we can have a
14 good understanding. Then that might help us be
15 able to communicate a little bit better if we
16 need to communicate with COPA or with the
17 Superintendent's office to try to help you get
18 to some resolution.

19 MS. MITCHELL: Okay. I would appreciate if
20 somebody would explain to me, because they are
21 coming up with their own assumptions of why his
22 DNA is not on there. If you can't prove it's
23 on there, you can't prove it's on there. It is
24 not up to you to say he did or didn't. It is

1 not on there, pointblank, period.

2 PRESIDENT FOREMAN: This is where I think a
3 written report will be helpful, so there's
4 nothing inconclusive about what this group
5 said, what someone else said. We can get
6 something in writing. I think it would be
7 helpful for us. I think it would be helpful
8 for all the parties involved.

9 MS. MITCHELL: Okay. Thank you.

10 PRESIDENT FOREMAN: Thank you. Next
11 speaker, Jennifer Edwards.

12 MS. EDWARDS: Happy new year, everybody.

13 Over the past few months, we have
14 presented five major examples of how our
15 community could work with the Chicago Police to
16 begin to solve some of the safety issues in
17 Chicago. We introduced a cadet program
18 proposal, a good business neighbor project, a
19 surveillance camera initiative, a request for
20 support for additional police at the crime
21 hotspot corridors along the Dan Ryan Expressway
22 of 95th Street, which we recently added, 87th,
23 79th, 75th and -- 75th Street. We're also
24 partnering with a group who developed a safety

1 center in our area for reported crime tips when
2 community members are uneasy with reporting to
3 the police and also development of Crime
4 Agitator app by the safety center.

5 We began with identifying
6 hotspots of crime in the specific corridors on
7 the south side that I just mentioned. This was
8 granted.

9 We presented an evaluation of
10 part of a consent decree conversation in the
11 3rd, 6th and 7th police districts and
12 identified the 6th District as the model
13 closest to obtaining the desired reform.

14 We had also been contacted by the
15 9th Ward, organizations in the 5th District who
16 have expressed interest in collaborating with
17 us.

18 We spoke about crime around
19 abandoned buildings and took part in CBS
20 Channel 2 investigative report identifying
21 problems and numerous buildings in our area,
22 many owned by the City.

23 We reported on the community
24 events at the Whitney Young Library where the

1 6th and 3rd District police representatives and
2 numerous community members were invited to
3 discuss crime in our area in a project of
4 decorating abandoned, boarded-up buildings near
5 the schools where violent crime activity
6 involved.

7 We engaged the community on the
8 south side from Grand Crossing to Pullman in
9 the backyard community conversation about the
10 uptick in crime in our area.

11 The backyard conversation was
12 well attended and exhibited community interest
13 in coordinating our efforts to address these
14 issues of crime.

15 Plans are being made for our next
16 conversations. We will keep you informed.

17 We continue our collaboration
18 with the 6th District CAPS office by initiating
19 a monthly meeting that we call Coffee with the
20 Captain. We are pursuing a plan for the same
21 platform in the 3rd, 7th and 4th Districts.

22 We received verbal feedback
23 regarding the business neighbor project and
24 have read written feedback on the City of

1 Chicago Police Board website that states this
2 project is not possible because of cost. We
3 would like the opportunity to discuss this
4 further because it is our belief that revenue
5 generated from fines will make this effort
6 budget neutral.

7 It is our opinion that this is a
8 budget-neutral proposal.

9 We request an opportunity to meet
10 with the deputy mayor of safety to clarify our
11 proposal. Continue? Okay.

12 We hope to begin this year with
13 the concentration on problem businesses or
14 those suspected of supporting crime.

15 We began working with the 6th and
16 3rd Districts on strategies and would like
17 their support with the established procedures
18 and hope we can get dedicated officers on this
19 project.

20 We have an example of a problem
21 car wash business that attracted drug activity
22 in the 6th District on South State Street. Due
23 to strong community engagement with the police
24 and continued police surveillance, the area

1 problem has been resolved. We thank the 6th
2 District for their diligence in helping to
3 change a bad situation.

4 We encourage the Police
5 Department to continue to enforce the existing
6 ordinances and regulations regarding problem
7 businesses and we will emphasize collaboration
8 at area CAPS meetings.

9 We list the following community
10 organizations that have consulted with on the
11 south side and far south side of Chicago that
12 have contributed to the bump. I won't read
13 those. You have those.

14 PRESIDENT FOREMAN: Thank you very much.
15 Ms. Edwards, I don't need to call anybody else?

16 MS. EDWARDS: Right.

17 BOARD MEMBER O'MALLEY: Mr. President, can
18 we make contact to see if we can get this
19 organization meeting with the deputy director
20 of safety after all the time and effort they
21 present to us month after month?

22 PRESIDENT FOREMAN: Absolutely. I will
23 reach out with the deputy mayor right away.

24 MS. EDWARDS: Thank you.

1 PRESIDENT FOREMAN: Next speaker, George
2 Blakemore.
